

Welcome

How to get your Nando's...

- 1 Choose your food and decide how **spicy** you want it.

Extra Hot

Like tackling a ferociously fiery dragon in a furnace.

Hot

Highly combustible – proceed with caution.

Medium

Hits the spot without scalding your tonsils.

Lemon & Herb or Mango & Lime

A mere hint of heat but a tidal wave of flavour.

Plain...ish

Marinated in PERi-PERi but grilled with no added spice. As mild as we go.

- 2 Go to the counter to **order** (remember your table number) and **pay**.
- 3 **Grab** yourself the sauces and dressings you fancy – and any cutlery you need (eating with your fingers is heartily encouraged!)
- 4 Your order is **brought to your table** as speedily as chickenly possible.
- 5 **Additional orders.** Forgotten anything, need extras or want dessert? Order from your table – we'll sort it.

Nando's chickens are fresh (never frozen) and are hatched and reared in Britain. They have **Red Tractor** status so they meet such a strict set of assured standards you could take 'em home to meet your mother!

Feast Your eyes...

It's no secret that Nando's loves African art! We share our passion by displaying our amazing collection in our restaurants where we have more than 4,000 pieces on show.

We love it so much that we asked three of our favourite African artists to each produce a piece especially for our menus where everyone can see it. So go on – feast your eyes! This one features *Paparazzi* by Zemba Luzamba.

Zemba Luzamba

Since growing up and studying in Zambia, Zemba's journey as an artist has taken him through Pretoria and Johannesburg to Cape Town where he now lives and works. He uses a distinctive painting style to capture leisure activities and to explore their influence on cultural barriers.
